***ZERO TRUST:  
IDENTITY***

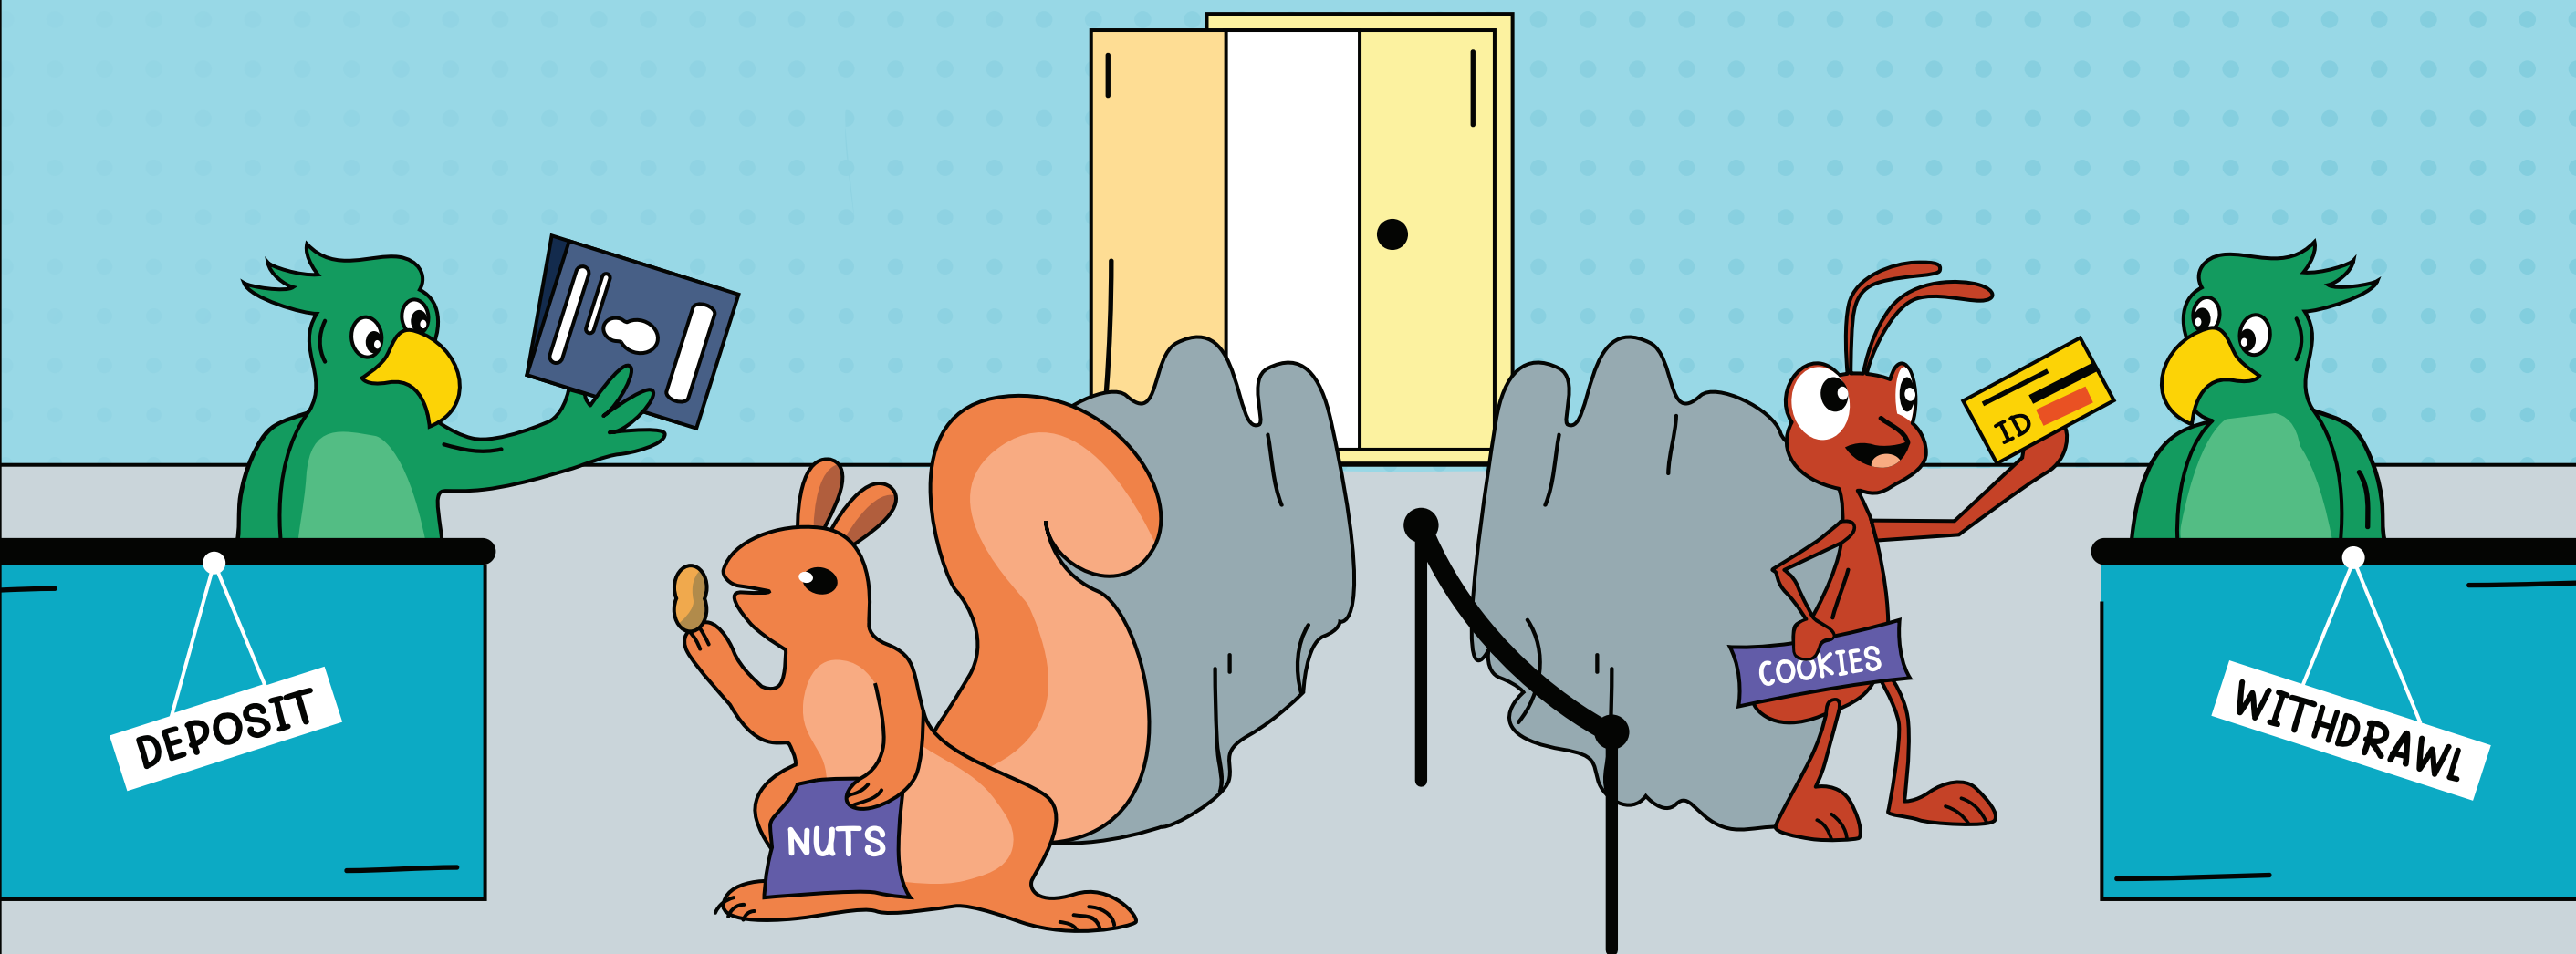

1.

I HAVE HEARD ABOUT THIS ZERO TRUST THING, BUT HOW DO YOU STAY SECURE IF YOU HAVE ZERO TRUST IN EVERYTHING.

2.

ZERO TRUST MEANS THAT I WONT INHERENTLY TRUST A PERSON ACCESSING MY STUFF, INSTEAD I NEED THEM TO ESTABLISH TRUST.

3.

THEN HOW DO YOU KNOW WHEN YOU CAN TRUST  
SOMEONE AND WHAT ARE WE EVEN TALKING  
ABOUT TRUSTING THEM TO DO ANYHOW?

4.

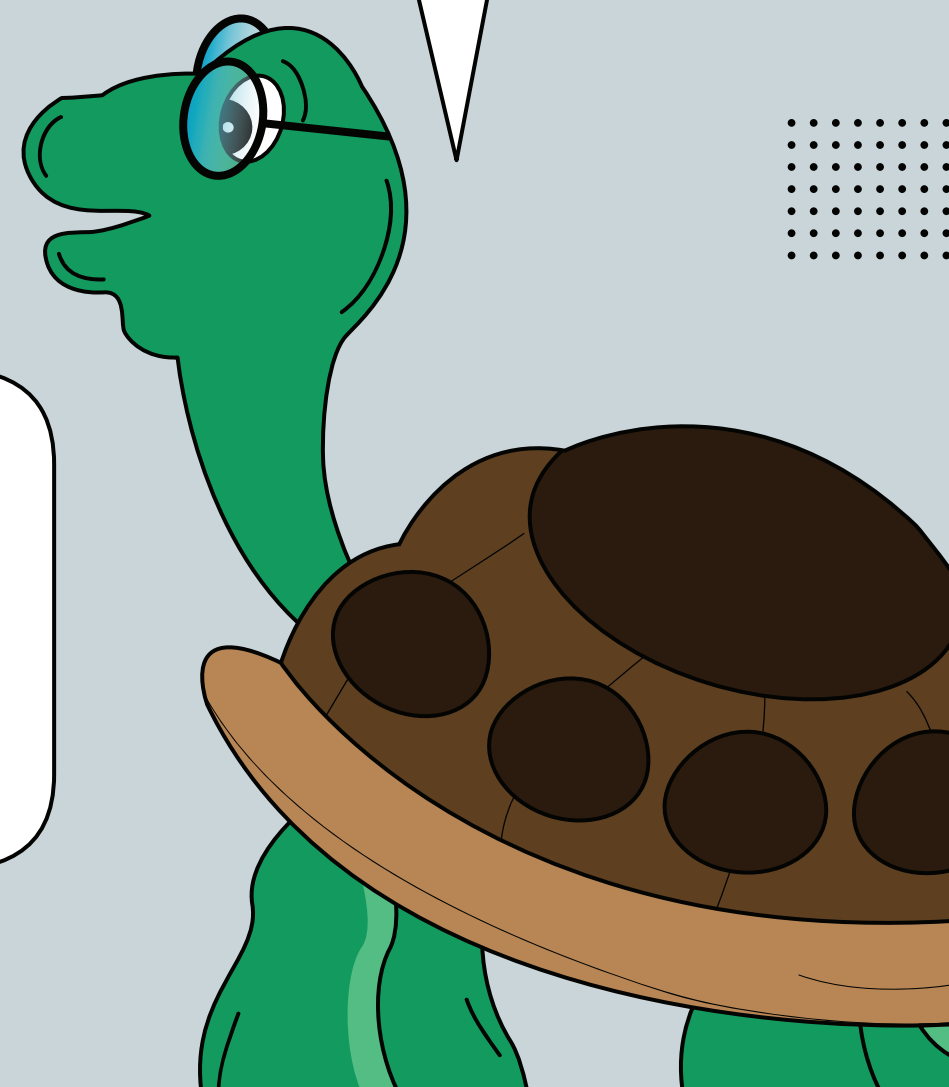

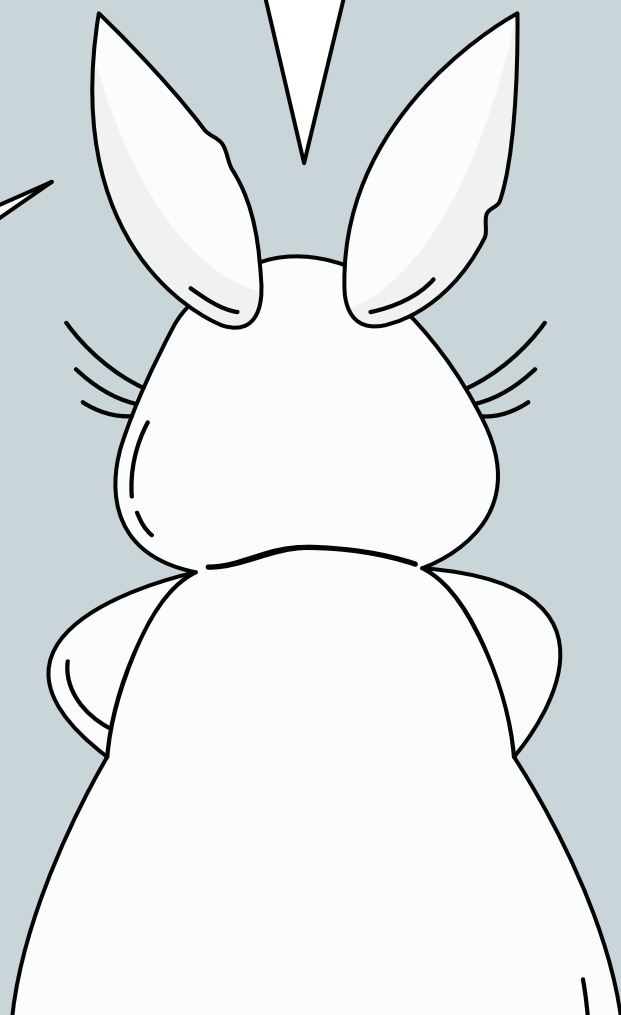

LET'S SAY YOU HAVE TO KEEP  
YOUR COOKIES AND BERRIES  
SAFE FOR THE YEAR.

6.

YES, MY  
PHOTO ID  
PROOF AND  
MY BANK  
PASSBOOK.

5.

YOU GO TO THE BANK  
WITH ALL YOUR  
STUFFS PACKED, AND  
YOU'VE GOT TWO  
IMPORTANT THINGS  
WITH YOU, RIGHT?

7.

EXACTLY PHOTO ID PROOF WILL  
AUTHENTICATE YOU (WHO YOU ARE)  
AND THE BANK PASSBOOK IS A WAY TO  
PROVE AUTHORIZATION (THAT YOU  
HOLD AN ACCOUNT HERE AND YOU  
ARE AUTHORISED TO ENTER BANK)

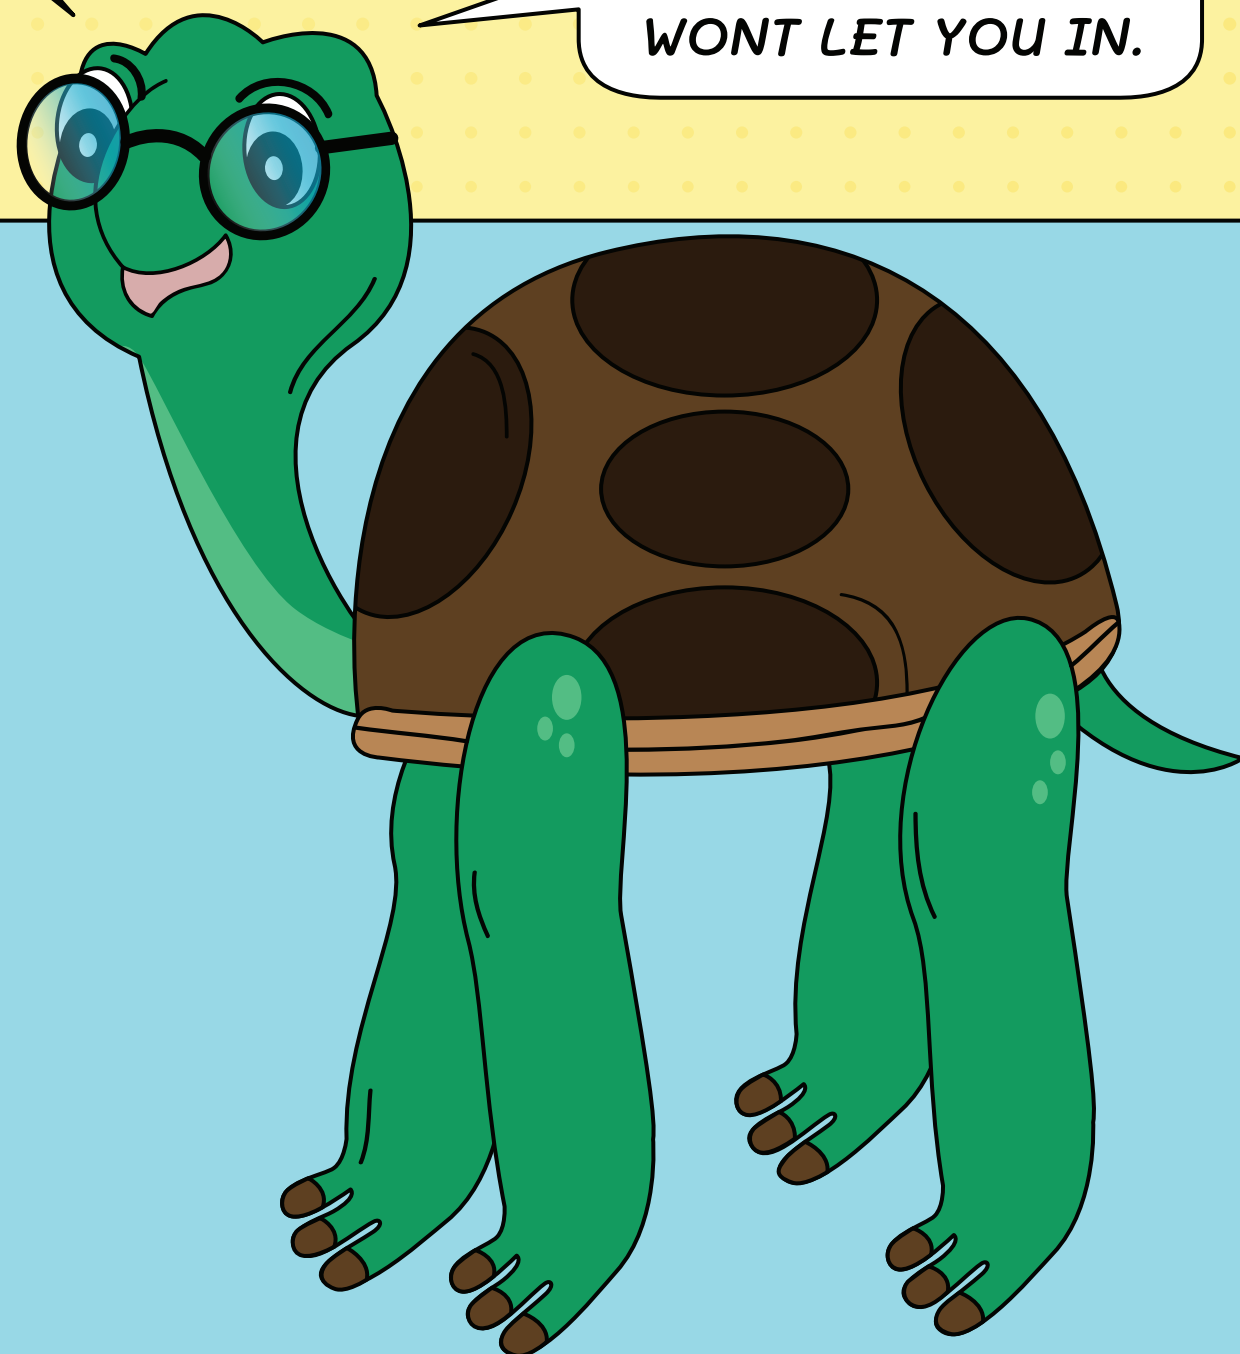

9.

CORRECT SECURITY  
WONT LET YOU IN.

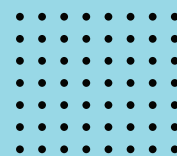

8.

AND IF I ONLY HAD ONE OR THE OTHER  
I COULDN'T GET A BANK LOCKER.

10.

WOW THAT  
MEANS I  
CAN GET  
A LOCKER  
NOW.

11.

THE ZERO TRUST MODEL IS LIKE BANK SECURITY,  
YOU PROVE YOURSELF AND YOU ARE ALLOWED IN.

12.

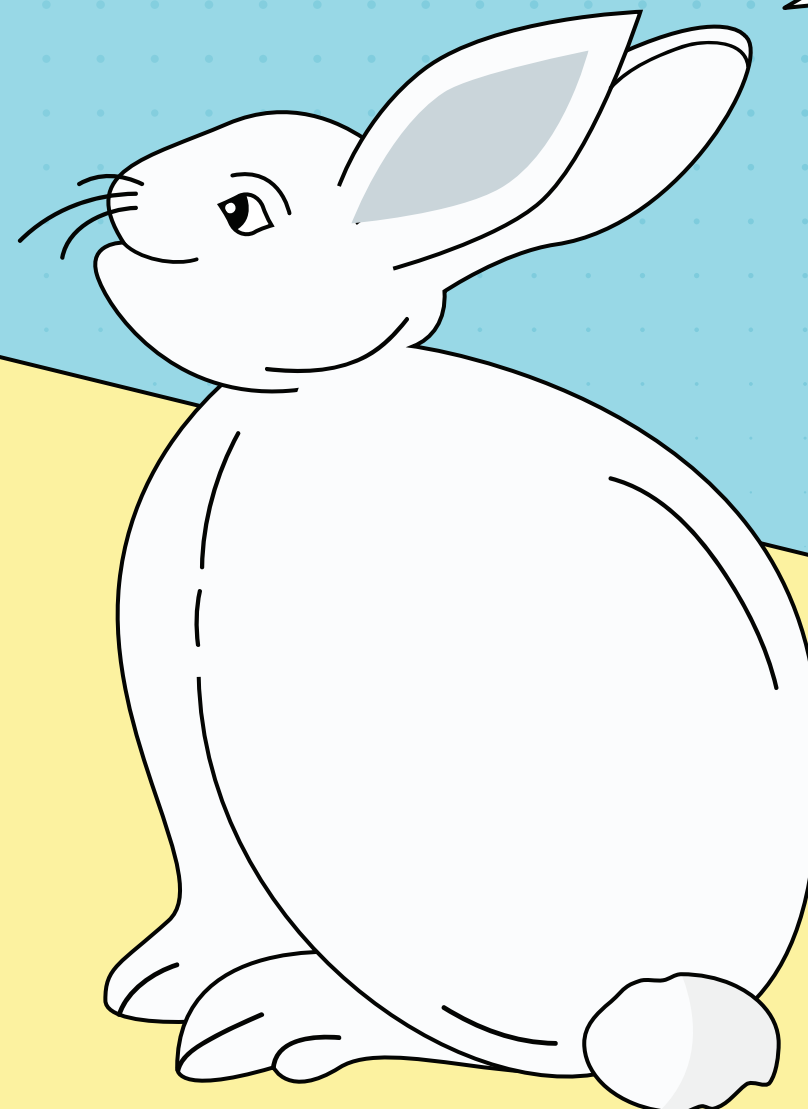

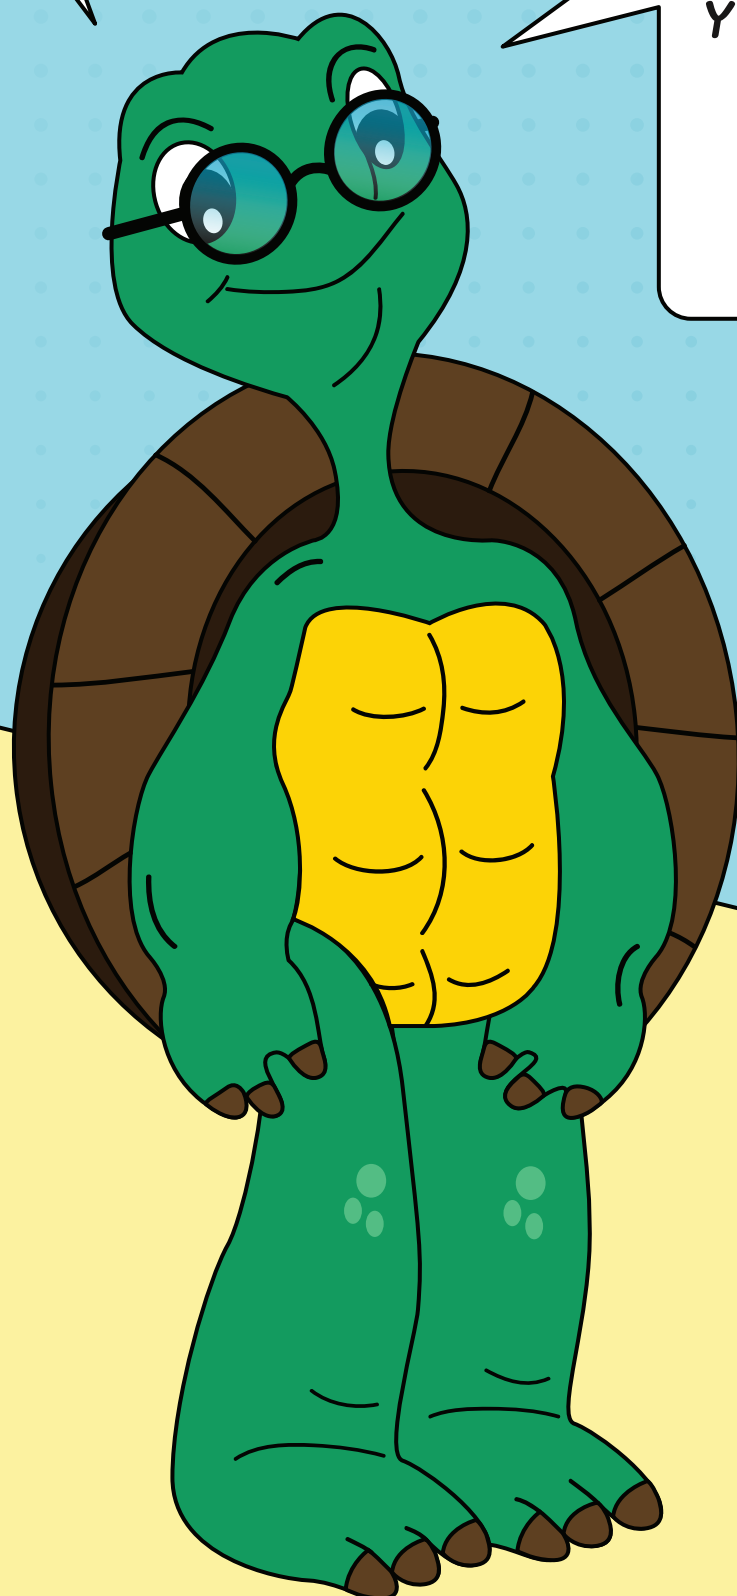

SO NOW THEY TRUST ME

13.

YES BUT THAT DOESN'T MEAN  
YOU CAN GO ACCESS ANYTHING  
ANYWHERE IN THE BANK.  
DEPENDS ON THE CONTEXT  
YOU ARE THERE FOR

14.

WOOHOO!

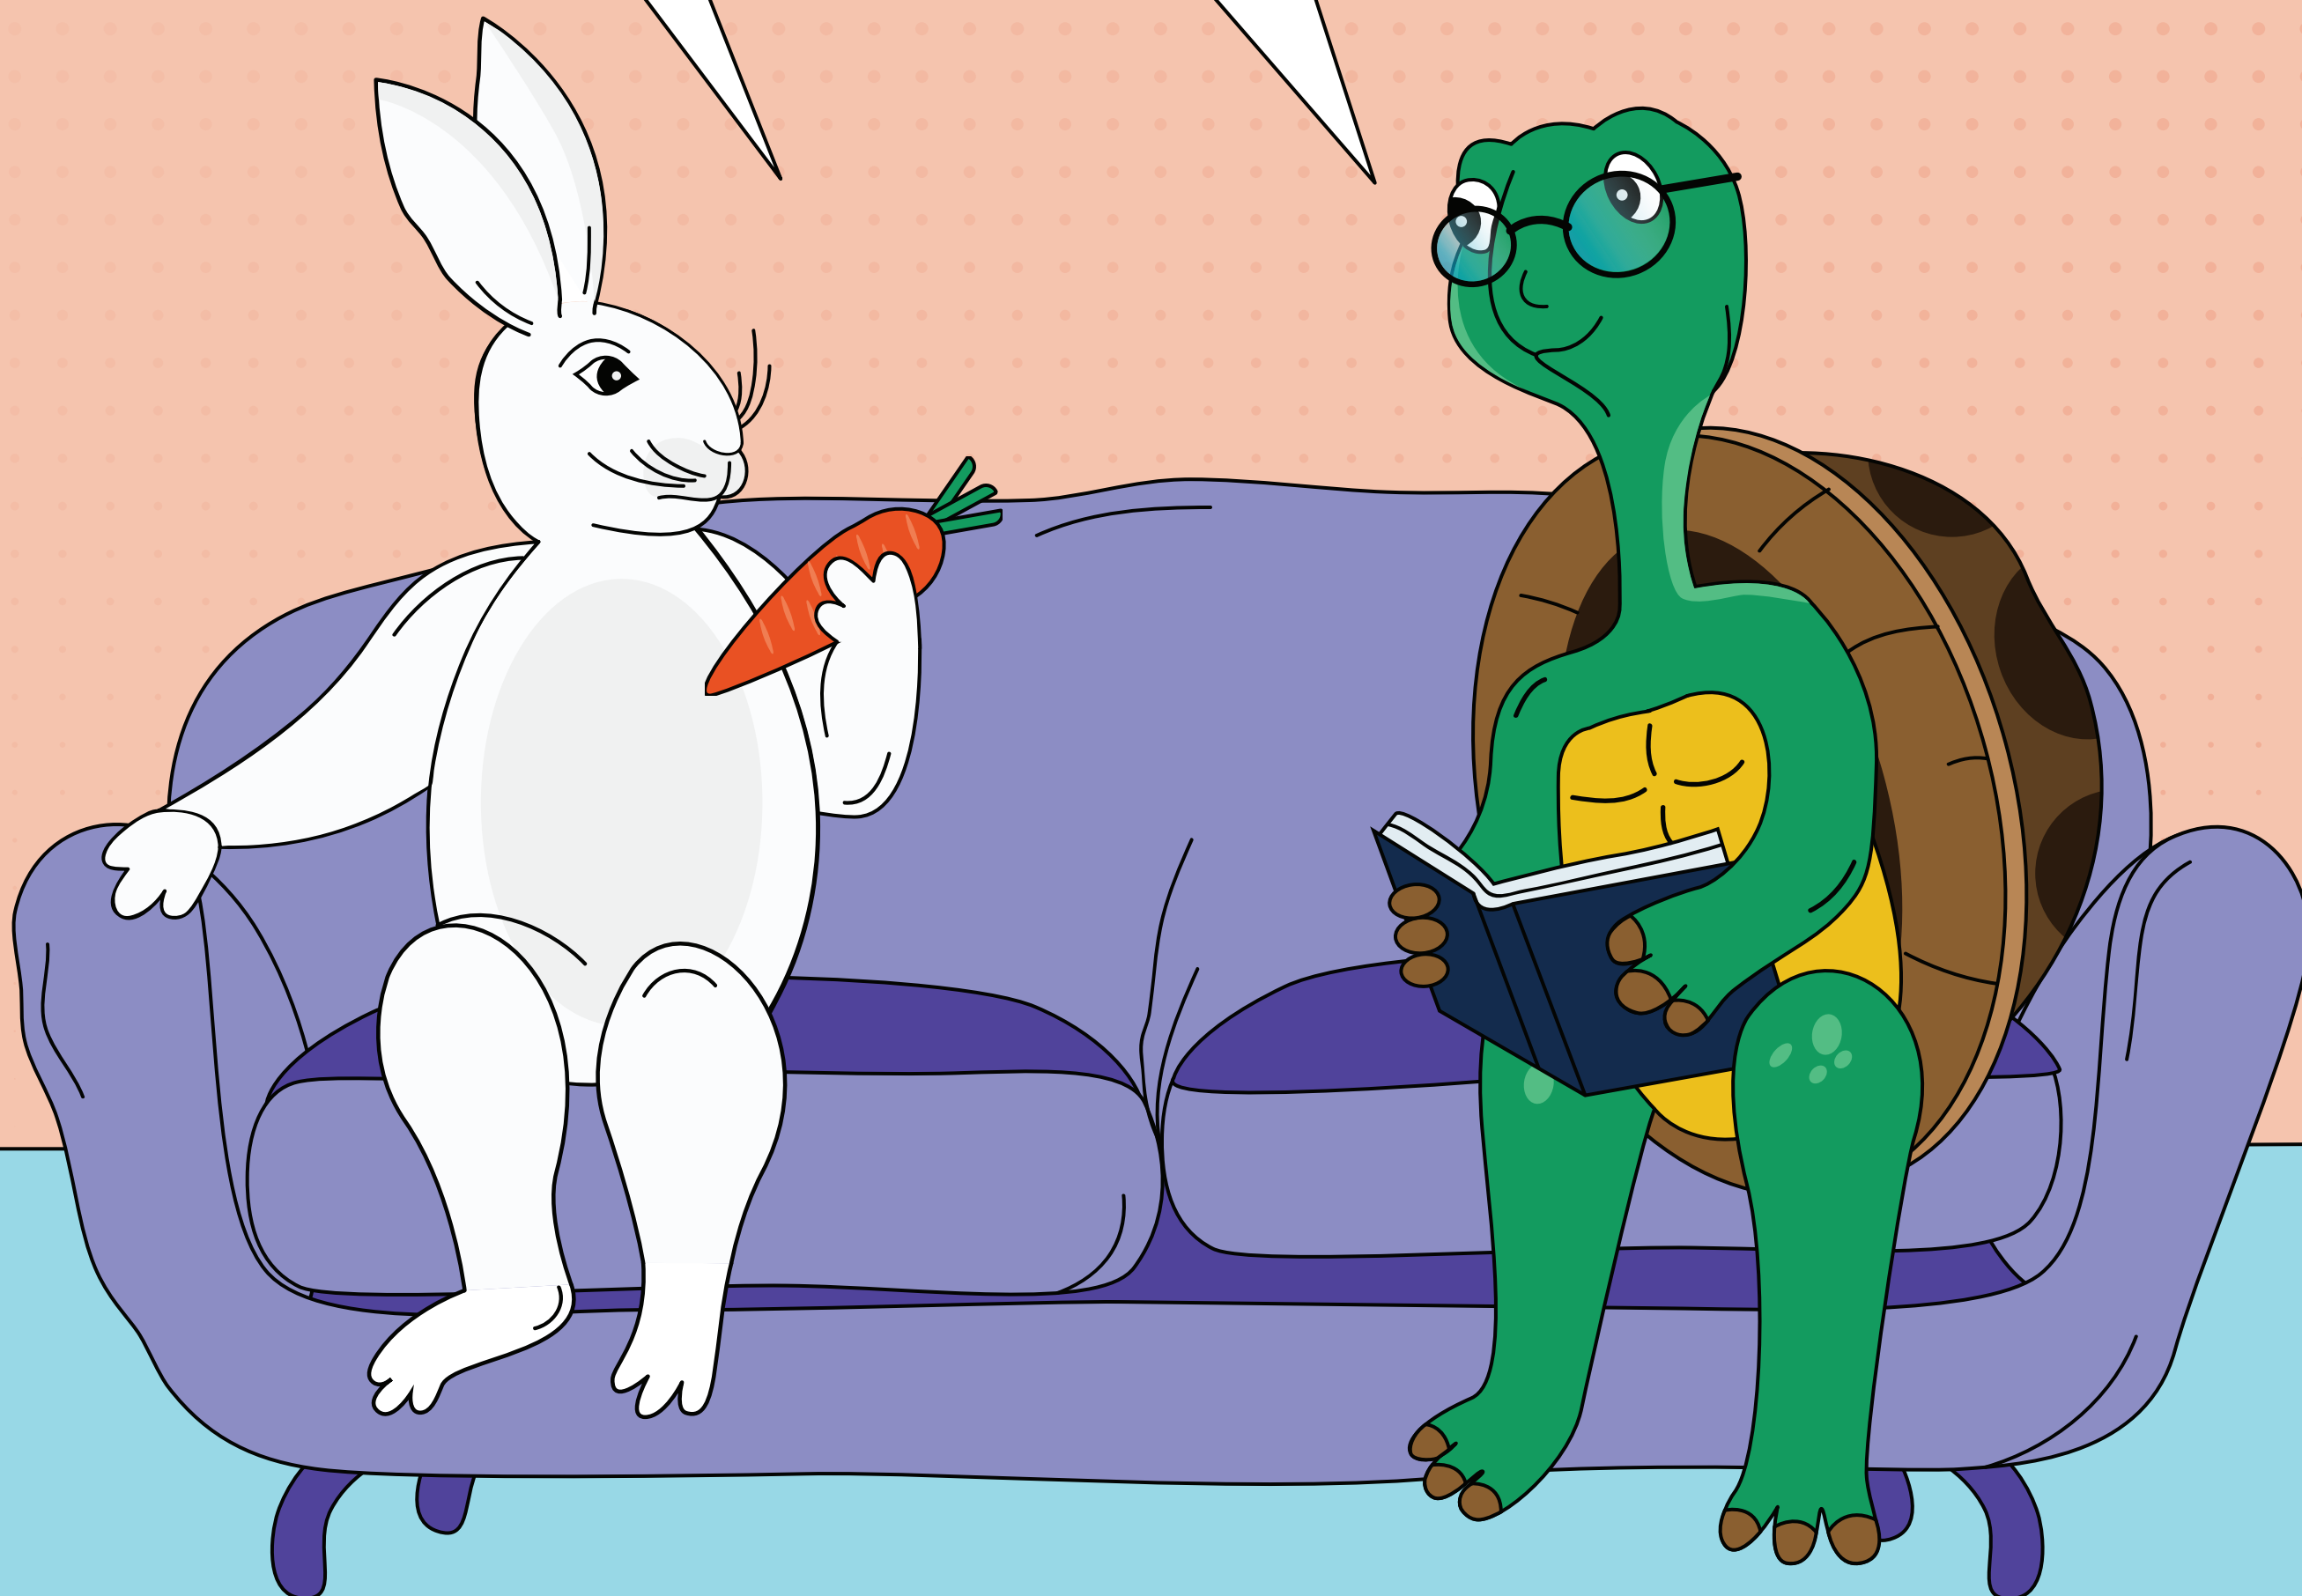

EXIT

15.

YOU ARE  
CONFUSING ME.

16.

WELL, I WILL TELL YOU NEXT TIME WHAT CONTEXT  
I AM TALKING ABOUT. THE ONLY THING IS  
ZERO TRUST DEPENDS ON YOUR IDENTITY, YOUR  
DEVICE AND RULES ALL ARE IN PLACE. WE WOULD  
CHECK IF YOU AREN'T FAKING IT OR PROXING IT.

***STAY TUNED***  
***FOR THE NEXT ONE***
